

Request for Qualification Relating to the Development, Financing, Construction, Operation and Maintenance of 100mw (2x50mw) Solar Photovoltaic Power Plants

Reference 3602/19
Issue Date 8/1/2019
Closing Date 9/11/2019

Tender Information

This Request for Qualifications (RFQ) is being used to gather information for future possible tender by Botswana Power Corporation (BPC) for the development of 100MW (2X 50MW) solar plant (s). Through this RFQ, BPC intends to identify suitable Power Project developer(s) willing to participate as independent power producer(s).

Therefore, BPC would like to engage companies or firms for the development, implementation and operation of 100 MW (2X50MW) Solar Power Plant(s). The plants will be located in Botswana, and the independent power producer(s) will sell its power to BPC through a Power Purchasing Agreement (PPA).

Tender Collection

Bidders are advised to register and forward their particulars with the BPC Supply Chain Office (please contact mphothwek@bpc.bw or + (267) 3603239/449) prior to collection of the RFQ document. This will help to facilitate any subsequent tender clarifications and addenda).

The physical address for collection of Tender Documents is as follows:

Botswana Power Corporation
